Inspector General's Recommendation Number 10b, page 100

Recommended DCI Action: Approve

Inspector General's Statement

Recommended that:

The DD/I and the DD/P initiate a test program for the rotation of qualified DD/I professionals to the DD/P to serve as reports officers with part of the tour to be spent overseas, DD/P reports officers in turn to rotate to the DD/I for training and experience in the evaluation and use of intelligence reporting.

DD/P Comment

Concur. The principle of rotation has been broadly accepted although the practice has admittedly not come into general effect. There is nevertheless a perceptible number of lateral transfers between the DDI and DDP areas. We are prepared to discuss further with the DDI opportunities for such rotation.
